

ROSCOMARE ROAD ELEMENTARY SCHOOL
BOOSTER CLUB

Opportunities for Corporate Sponsorship

Roscomare Road Elementary School is one of the finest schools within the Los Angeles Unified School District. The school has consistently scored in the top 10% of public schools in California based on Academic performance testing. As you are well aware, the state's budget continues to provide less and less funding for schools. Therefore, Roscomare Road has become increasingly more dependent on support from local businesses and the parent population. While many give generously, there is still a shortage of needed funds in order to keep our programs thriving each year.

We are therefore approaching companies to provide support for our school. Your contribution would support and expand a range of programs including music and art, physical education, computer classes, and library services, among others. This support is vital to the success of the school, and the school's success will ensure that our children are educated, well rounded and on the path to becoming responsible and mature adults.

As a way to show our appreciation for your sponsorship, a banner with your company name and/or logo will be mounted to our schoolyard fence. Not only will the more than 350 families at our school see the banner, but also the thousands of commuters that drive by our school. Per Los Angeles data, there are more than 6,500 cars daily that travel on Roscomare Road, in clear sight of the banners. The banner provides you with a wonderful way to gain visibility while supporting a very important and worthy cause.

Sponsorship opportunities begin at \$500, depending on the size of the banner.

Sponsor	\$500.00
Patron	\$1,000.00
Benefactor	\$2,500.00
